Addendum No. 1

Issued 5/31/2023, Bid #23-542-FBGF-01R

EMS Mechanical Ventilators

The following answers questions and clarifies information contained within the original bidding document released for this project. Bidders should consider all information contained within issued addenda when considering their proposal and acknowledge receipt of all addenda in the space provided in the bid form - failure to do so does not relieve vendor from any responsibility to perform the project for the bid price offered.

GENERAL INFORMATION:

1. Q. Will redlines be accepted for this bid opportunity?
A. Any changes being request to the bid document or the scope of requirements should be written on a separate document submitted with your bid.

2. Q. Is there a particular brand/model you could reference for specifications for this bid?
A. There are two brands that you may use for reference, however as per the bid document, Iredell County has provided the specifications in the document to include a wide range of manufacturer's equipment. Remember that it is the bidder's sole responsible to ensure the bid includes data to clearly support that the product being offered meets or exceeds the standard specification.

Example used: Hamilton T1 and Zoll Z Vent
