Iredell County Business Leaders

The Iredell County Register of Deeds office is proud to announce and recognize the "Thank-A-Veteran" program. The office has been working with local businesses throughout the County to secure monetary discounts for our Veterans. As part of this program, all honorably discharged veterans of any branch of military will be issued a free photo identification/discount card to use at area businesses. The card will be issued upon proof of recording military discharge papers with our office. Upon issuance, the identification card would then be used to secure discounts available only to veterans at participating businesses. As your Register of Deeds, I would like to offer you an opportunity to partner with us and show your appreciation for the service given by our veterans by sponsoring our program. Sponsorship involves offering some discount, either a specific dollar amount or a percentage amount, on services or products offered by your business. This would be an on-going sponsorship. In the event you decide to withdraw from the program, we would kindly ask that you give our office 30 days written notice. As a sponsor of this program, your company's name will be listed on all information given to veterans who enroll. In addition, your information will be listed on the Register of Deeds website www.iredellcountync.gov/533/Register-of-Deeds, and included on all social media announcements as well. We will also provide your business with a special window cling to place on the door or window of your business to indicate that you are a participating sponsor of our "Thank-A-Veteran" discount program.

To enroll as a sponsor, please complete the application below and fax or email back to our office.

Business Name: _____
