To Iredell County Purchasing:

We have reviewed the two bids received for ventilators. Upon review of each bid, Iredell County EMS has awarded Hamilton Medical the bid.

One of the requirements EMS needed is neonatal capability, which the Zoll ventilator cannot provide. Zoll also only met 11 of the 18 specifications, while Hamilton met all of them.

Sincerely,

A handwritten signature in black ink, appearing to read "Blair Richey". The signature is fluid and cursive, with a large loop at the end.
